## **Approval of Meeting Minutes from July 11, 2018**

John Schilling makes motion – Dan Hanavan 2nds – Approved by All

### **4 Way Stop Sign at North William and Fairfield Streets:**

Ray Tattersall: Renata Hedjuk requested this due to the fact that people speed through Fairfield, it's a pretty common thoroughfare coming off West Chop.

Dan Hanavan: Is it a two-way stop right now?

Ray Tattersall: No, there's nothing.

John Schilling: Can you do just a 2 way stop sign, not necessarily a 4 way?

Dan Hanavan: There's no stop on North William?

Ray Tattersall: I can make a motion to drive by and confirm it.

Dan Hanavan: So the speeding is going to take place on Fairfield so I would definitely say yes to a 2 way. I'm not against a 4 way, like the 4 way at Daggett.

Ray Tattersall: If we make a motion to approve the one I will go and make sure we don't need a 4 way.

**Dan Hanavan: Motion to approve a stop sign on the east and west travelling side of Fairfield.**

Ray Tattersall: I will check the regs and confirm with our traffic engineer if we can just put in the one directional stops . . . east west stops.

John Schilling: 2nds motion

**Approved by All**

### **Remove parking spot from Spring & Franklin intersection**

Ray Tattersall: For better visibility for those coming up Franklin looking to take a left on Spring. I think it's a temporary solution – I'd like to see a raised table in that area.

John Schilling: People edge out of Franklin to see who's coming down

Dan Hanavan: I think it gives more safety to the crosswalk.

**John Schilling: Motion to remove it**

Dan Hanavan: 2nds

**Approved by all**

Dan Hanavan makes motion to adjourn @4:00pm. Chief Schilling 2nds, approved by all

**Next Meeting: September 19th @ 3:00PM – DPW Conference Room**
