NOTICE OF PUBLIC MEETINGS

**PROPOSED CHANGES TO FEDERAL AIDS-TO-NAVIGATION
in southeastern Massachusetts waterways**

The U.S. Coast Guard announces two public meetings to receive comments on its proposed changes to some Federal aids-to-navigation (ATON) in southeastern Massachusetts waterways. The proposed changes were first announced on May 16, 2016, and public comments were solicited through June 30, 2016, when the comment period ended. Over 100 comments have been received, including some that requested an opportunity to express views at a public meeting. Consequently, the Coast Guard has arranged for two public meetings:

	Date	Time	Place
1.	September 22, 2016	5:30 – 7:30 p.m.	Katharine Cornell Theater 54 Sprint Street Vineyard Haven, MA 02568
2.	September 28, 2016	6:00 – 8:00 p.m.	Massachusetts Maritime Academy Blinn Hall 101 Academy Drive Buzzards Bay, MA 02532

The public is invited and encouraged to attend and speak directly to Coast Guard officials regarding the potential impacts to navigation safety that may result if all or part of the proposed ATON changes are adopted. The proposed changes, initially published in Marine Safety Information Bulletin 05-16 on May 16, 2016, are re-printed below.

Questions regarding this bulletin may be addressed to Mr. Edward G. LeBlanc at U.S. Coast Guard Sector Southeastern New England, Edward.G.LeBlanc@uscg.mil, 401-435-2351.
