

## Tisbury Vision Forum Community Meeting

---

**Wednesday**

**September 25**

**6:00 PM**

Katharine Cornell Theater

Designers will present concept proposals for the Owen Park Bandstand.

**Please note the start time and Location.**

---

## The Owen Park Bandstand

The Owen Park Bandstand is due for a repair. Rather than just rebuild what is there, the town would like to explore design alternatives that would improve the structure and better meet community needs. We have invited local architects, landscape architects and designers to develop conceptual designs for the bandstand.

A number of designers have completed design proposals and will present their conceptual designs on September 25<sup>th</sup> at a Tisbury Vision Forum. We encourage community members to attend this meeting to hear the presentations and ask the designers questions. At the end of the meeting all the participants will be able to fill out a form to rank their preferences, which will be narrowed down to three finalists through a ranked choice system.

The town intends to complete improvements to the bandstand prior to the town's 350th anniversary in 2021.
