

Tisbury Vision Forum

Important Community Meeting

Tuesday

December 17

6:00 - 8:00 PM

Tisbury Senior Center

The school building committee is holding a forum to introduce their professional team to the community.

Meet the Tisbury School Building Team

The Tisbury School Building Committee will introduce their members and their professional team of Daedalus Projects, Inc. and Tappe Architects. Introductions will be followed by a community conversation where people can ask questions, make comments or offer input. We encourage you to join this important community conversation about the Tisbury School project.

Project Mission Statement: *To present the voters of the Town of Tisbury a renovation and addition plan of the existing Tisbury School building that meets the educational program set forth by the school committee for the students of today and for future generations.*
