Understanding The Housing Bank

Makenzie Brooks of Housing Bank MV will make a presentation at the Tisbury Vision Forum at 6:00 pm on Wednesday, March 13th, at the Tisbury Senior Center.

In response to Martha's Vineyard's critical housing needs and 2017 voter support, the Housing Bank MV is presenting two warrant articles at each of the 2019 Annual Town Meetings. The first article would create an island-wide Housing Bank. The second would allow a portion of the revenues from the newly expanded local excise rooms tax to be used to help fund the Housing Bank. Makenzie will discuss the objectives of Housing Bank and explain the two warrant articles. Following her presentation MaKenzie will answer questions.

This is an opportunity for island residents to learn more about the Housing Bank and the two warrant articles that will be voted on at town meeting. We encourage you to attend.
