Positive COVID-19 Cases on Martha's Vineyard

As of January 13, 2021

4:00 pm

12 new confirmed positive cases (11 MVH, 0 TestMV, 1 other practitioner) No new probable cases

725 Total cases to date

680 confirmed positive individuals (PCR positive tests)

Individuals may be tested more than once to confirm illness or, in certain situations, to be released from isolation. This may result in a discrepancy between the number of positive individuals and the number of positive tests reported.
