

Martha's Vineyard Boards of Health

Positive COVID-19 Cases on Martha's Vineyard

As of January 20, 2021

4:00 pm

23 new confirmed positive cases

(11 MVH – 1 MVH case reported was a repeat positive, 10 TestMV, 2 other providers)

1 new probable case (1 previously reported probable case tested positive and has been moved to confirmed)

810 Total cases to date

761 confirmed positive individuals (PCR positive tests)

Individuals may be tested more than once to confirm illness or, in certain situations, to be released from isolation. This may result in a discrepancy between the number of positive individuals and the number of positive tests reported.
