

Martha's Vineyard Boards of Health

Positive COVID-19 Cases on Martha's Vineyard

As of January 6, 2021

4:00 pm

25 new confirmed positive cases

(18 MVH – MVH reported 17 in order to remove the repeat positive counted yesterday, 6 TestMV, 1 off-Island provider)

5 new probable cases

648 Total cases to date

602 confirmed positive individuals (PCR positive tests)

Individuals may be tested more than once to confirm illness or, in certain situations, to be released from isolation. This may result in a discrepancy between the number of positive individuals and the number of positive tests reported.
