

Martha's Vineyard Boards of Health

Positive COVID-19 Cases on Martha's Vineyard

As of January 7, 2021

4:00 pm

6 new confirmed positive cases

3 MVH – one was a positive result from a previous symptomatically diagnosed individual

2 TestMV, 1 Aquinnah

No new probable cases

2 symptomatically diagnosed individuals tested negative and have been removed from the probable list

651 Total cases to date

608 confirmed positive individuals (PCR positive tests)

Individuals may be tested more than once to confirm illness or, in certain situations, to be released from isolation. This may result in a discrepancy between the number of positive individuals and the number of positive tests reported.
