Positive COVID-19 Cases on Martha's Vineyard

As of November 19, 2020

4:00 PM

10 new confirmed positive cases

265 total cases to date:

240 confirmed positive individuals (PCR positive tests)

Individuals may be tested more than once to confirm illness or, in certain situations, to be released from isolation. This may result in a discrepancy between the number of positive individuals and the number of positive tests reported.
