

Tisbury Vision Forum Community Meeting

Wednesday

January 8

6:00 PM

Katharine Cornell Theater

The Planning Board will review the Owen Park planning process and bandstand renovation. Architect Keith Moskow will present his concept proposal.

Please note the start time and Location.

Owen Park Bandstand Planning

On January 8th there will be a Vision Forum meeting to review the ongoing planning for Owen Park. The Planning board will review the master planning process that occurred in 2017 and discuss the status of projects identified through that process, including renovation of the bandstand.

The board will then describe the present condition of the bandstand, explain why it needs renovation and how they solicited conceptual design proposals. Keith Moskow, the architect who has been selected to work with the town on this project, will present, for further review and refinement, his concept proposal and a timeline for completion. Following his presentation, there will be time for questions and comments.
