

Town of Tisbury  
Harbor Department

Dredging of the Lake Tashmoo Entrance Channel will commence on November 10, 2020. After dredging the channel has been completed, the Lake Street Bulkhead will be dredged. It is anticipated that the entrance channel will take an estimated 2 weeks to complete and the Lake Street Bulkhead will be completed prior to January 15, 2021.

The Lake Street Town Beach will be closed to the public during the duration of the project so that the spoils can be disbursed for beach nourishment.

The Harbor Department will provide further updates as the project progresses.

Thank you for your patience during this time.
