COVID TEST KIT DISTRIBUTION

Free COVID-19 home test kits will be available to Tisbury residents beginning on Monday, January 24th. Kits will be available for pickup at the Town Hall, Town Hall Annex, Fire Station and Library during regular business hours while supplies last. Additional test kits are expected each week.

In order to protect our staff, individuals who are not feeling well are asked to refrain from entering town buildings for test kits.

Free COVID-19 test kits are also available through a federal program and can be ordered at www.covidtests.gov. Each household is entitled to 4 free test kits through this program.
