

## **Community meetings kick off the Tisbury Master Plan**

Seasonal and year-round residents: on August 10th two community events will launch the Tisbury Master Plan process. If you live, work, play or otherwise have a stake in Tisbury, you are invited to participate in one of two community input sessions on Wednesday, August 10<sup>th</sup>, to share your thoughts with members of the Master Plan Steering Committee. We will be soliciting comments on the town's strengths, weaknesses, opportunities, and challenges, and discussing them with community members.

The meetings will be held at the following times and locations:

- 1:00 -2:00 pm at Tisbury Emergency Services Building, 215 Spring Street
- 6:00 -7:00 pm at the Vineyard Haven Library, 200 Main Street

These sessions will give seasonal residents the opportunity to meet with members of the Master Plan Steering Committee and the consultant team (Barrett Planning Group) in person.

Note: there will be additional engagement opportunities beyond the 10th, both in person and virtual format.
