**Subject:** Selectmen's Meeting for Monday June 19th

Hello Joanna:

The posted agenda says Tuesday June 19<sup>th</sup>. Should say Monday. I was going to cross out Tuesday and write "Monday", however the blue post it says do not alter and so forth and therefore did not. The Clerk's office was closed since it was after 4:30 PM. I noticed there was no agenda in the book outside. Are we able to make that correction and carry on with our plan to meet Monday? I am so programmed about Tuesdays that I read write over it and did not catch it before posting.

Sincerely,

Jay
