Beach Road Improvement- Chapter 91 Application.

Jay Reviewed the GPI Communication and he feels we should sign. We must go through the steps for the State to be eligible for a variance. We need to pursue the better solution but feels we should sign Chapter 91. We could send with a letter questioning the merits of this option and suggest pursuing a better alternative to the Senators, Karen Polito and the Governor.

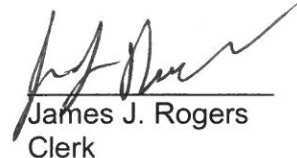

Member Loberg made the motion to authorize Mr. Grande to sign chapter 91. Member Rogers seconded the motion. Unanimous.
