

Tisbury Vision Council Community Meeting

Wednesday

March 28

7:00 PM

The Katharine Cornell Theater

The school building committee and their consultants will present the new school proposal.

Please note the start time and Location.

The Tisbury School Proposal

The School Building Committee and their consultants will present their plan for the new Tisbury School. The plan will be coming up for a vote at this year's town meeting on Tuesday, April 10th and in a ballot vote on Tuesday, April 24. The presentation will review schematic design plans, the project budget and the state and town contributions. This is an opportunity for residents to hear the project details and to ask questions of the committee and their consultants.

We strongly encourage community members to attend this important meeting and hear the latest details on the school proposal and to have questions answered.
