Preparing for Town Meeting: The 2019 Town Warrant Articles

At 6:00 pm on April 4th the Tisbury Vision Forum will host a meeting at the Katharine Cornell Theater to review the 2019 Annual and Special Town Meeting warrant articles. The meeting is intended to help the community members gain a clear understanding of the various articles that they will be asked to vote on at the Annual Town Meeting.

Town administrator Jay Grande, and representatives from town departments and boards will be attending to make presentations and answer questions. This forum will help town residents understand the details and the intent of the warrant articles. With time to consider

the various warrant items ahead of town meeting, you will be better prepared to make thoughtful decisions at town meeting.
