

Tisbury Vision Council Community Meeting

Wednesday

November 14

6:00 PM

Tisbury Senior Center

The Planning Board will host a meeting to share park projects and plans.

Please note the start time and Location.

Tisbury Park Projects:

Owen Park, Tashmoo & the Open Space and Recreation Plan

The Tisbury Open Space and Recreation Plan is nearing completion and design studies have been prepared for the Upper Terrace at Owen Park and the Tashmoo Overlook. The planning board will share the design plan for the Upper Terrace, which was developed through a series of public vision forum meetings. We anticipate that construction at Owen Park will occur over the winter and early spring.

Two design alternatives developed for the Tashmoo Overlook will be presented. There will be an opportunity to compare the two plans, consider differences and discuss the pros and cons of each.

Finally, the planning board will review the Draft Goals and Objectives developed as part of the town's Open Space and Recreation Plan and provide an opportunity for community questions and comments.

We are excited about the work in progress and encourage you to attend this meeting to learn more about the projects and to share your comments.
