Re: Application to Amend Tisbury Marine Terminal, LLC's Harbor Use Permit to
Name Vineyard Wind 1, LLC as Permit Holder

Dear Mr. Grande:

On January 5, 2023, Vineyard Wind 1, LLC ("Vineyard Wind 1") acquired 190 Beach Road Lot 1 ("Lot 1") from Tisbury Marine Terminal, LLC ("TMT"). TMT holds a Harbor Use Permit ("Permit") (Attachment 1) from the Town of Tisbury, issued on March 30, 2022, permitting certain uses at Lot 1. Vineyard Wind 1 intends to conduct the business that was noted in Martha's Vineyard Commission's Development of Regional Impact # 277-M at Lot 1. Specifically, Vineyard Wind 1 intends to operate Lot 1 as an operations and maintenance facility to service future offshore wind developments.

Construction and operation of this facility will entail the uses that are referenced in TMT's Permit application (Attachment 2) and permitted at Lot 1 pursuant to the Permit. These uses include water-dependent uses or activities, pier, bulkhead, commercial, water-related activities, dredging, construction of or installation of bulkheads, and construction of new piers or the addition to existing piers in the Working Waterfront Area.

We request that TMT's Permit be transferred to Vineyard Wind 1 as owner of Lot 1. Vineyard Wind 1 will abide by all conditions and requirements contained in the Permit issued to TMT, including voluntary contribution of \$400,000 to the Town of Tisbury for improvements on Town-owned property adjacent to the Lagoon Pond in lieu of the viewing platform on the harbor side.

Thank you for your attention to this submission. Please contact me if you have any questions.

Very truly yours,
Jack Arruda
