Tisbury Council on Aging  
Select Board Report

I am giving a brief update on what has been happening. We are getting ready for the summer, which is going to be busy. We do have residents that return to their summer homes here on the Island.

We have a couple of events that are coming up. On June 20, I will be honoring our volunteers, who give their time to our older adults. They deliver Holiday meals, answer the phone and also help a neighbor or friend if needed. They are valuable to our community. I am having a luncheon for them on Tuesday, June 20 from 1-3 p.m. I am inviting all of you to join us to show our appreciation for all they do. I ask that you give us a call and let me know that you are coming. Please respond by June 16 I am also planning a small Health Fair on August 31 at the Senior Center from 2-4 p.m. There will be Blood Pressure, Glaucoma, Glucose screening, and hearing test. There will be tables with agencies having information on what services they provide.

**MARK YOUR CALENDARS AND TELL YOUR FRIENDS. PUBLIC IS WELCOME**

OTHER UPDATES: The Automatic doors are up there was a wrong part sent. The men are coming back on June 15 to finish the work.

Applicants are being sought to replace me as Director. We will know by June 16, how many applicants we have. I will have future updates.

Respectfully submitted,

Joyce Stiles-Tucker, Director
