### Finance Department Update

April 1, 2022

#### Department developments in March

- Issued \$26 million bond for second round of school project financing.
- Worked with Select Board staff to finalize town meeting warrants and annual town report.
- 

#### Open items

- Presently testing upgraded Munis software – plan to go live in May 2023
- Implementing Munis report writing module
- Will implement Munis tax title software module when Munis can send a person on-site. Funding was approved at town meeting.
- Working with the Dept. of Revenue Technical Consulting Bureau to schedule an on-site visit. There is no cost to this review. The review of the financial operations of the town will rely on in-depth interviews of staff and elected officials.

Respectfully submitted,
