Re: Monthly report

I am sending an update on what has been happening at the Senior Center.

We have our summer participants/clients back with us. We are happy to see them again. We unfortunately had to shut down activities and programs for a week due to a breakout of COVID. We are now back to our regular schedule of Programs. We are telling everyone that they need to wear masks when they are inside the center and try to be 6ft distancing. This is a challenge, because there is no longer a mandate for one to wear a mask. There is a Mask advisory that says one should wear a mask when indoors. Many people are out and going into places with no masks and this is partly why the cases are going up. We are obviously going to be dealing with COVID for a while longer.

We had a Beginning of the Summer Get together on June 30<sup>th</sup> out on the deck. We had a fairly good turnout. We had finger foods and punch. A good time was had by all. We hope to have this type of event from time to time to enjoy each other's company and have fun.

We lost two Board members in April and we have one person who has submitted a letter to be considered for one position. I had one other person express an interest as well.

We also had a resignation of one of the receptionists that has been submitted to you. I have one volunteer who is interested in the position. I will call the person who applied for the position previously, and have her resume on file, to see if she is still interested in the position. I am hoping to fill the position by the end of this month or the first of next month.

Lastly, I am going to be submitting another grant for auto doors to lead into the function room. Application can be submitted after August 1. We will see what will happen. I am submitting the grant to Massachusetts Office on Disabilities, which is the same agency I had submitted the first grant to.

Will keep you updated as always.
