* 16 storm related

Note: Number of moorings = overnight rentals

- Harbor Department reports 1 incident. (See Harbor Log) Vessel Chanty was observed with water above the floorboards of cabin. Owners contacted and was pumped out by G&B
- Mr. Hawkins vessel remains at the head of the lagoon. Have continued communication with respect of its removal from Waterways.
- Harbormaster went to NH to check the progress of new patrol boat and to deliver firefighting apparatus. Boat construction is on schedule to expect delivery in May.
- Harbor web-based computer program has been updated. Waiting for new payment terminal delivery and install.
