The purpose of this permit is to provide parking without penalty to residents of the B1 District. The above residents living on the above mentioned streets are eligible to apply for a permit provided they do not have off street parking available or their driveway accommodates only one vehicle. Down town parking permits shall expire on December 31st of each year. Only two permits per residence per year shall be issued if eligible. To be eligible you must own property in the B1 district or be renting. If renting you need a copy of lease agreement and a letter from the property owner designating one of the 2 permits for a particular property to you. Without these two items you will not be issued a Parking permit.
