

### AWARD, First Place

The Town of Tisbury received the first place award for outstanding town annual report from the Massachusetts Municipal Association in the category for communities with a population of less than 5,000. The award is based on criteria that includes visual appeal; material arrangement; presentation of statistics and data; summary of the year's achievements; evidence of local planning for the future; and the report's practical utility. We appreciate the efforts of our Executive Assistant, Alex Kral, in compiling the report and for the contribution from all our town departments, boards, and committees who contributed to the content of the report.
