Workshop # 2: Tisbury Housing Production Plan

Along with the five other towns on the Vineyard, Tisbury has begun a process to produce a Housing Production Plan (HPP). This plan will help Town leaders, policy makers and residents understand the best ways to move towards meeting Tisbury's current and future housing needs while preserving the Town character and values. This Thursday the consultants will share their findings from the first workshop, and discuss strategies that can be used to address affordable housing in Tisbury. Community participation in this process

is critical. Bring your ideas and questions and become part of the solution.

Meet us at the Tisbury Senior Center

We will start promptly at 6:00 pm
