

Tisbury Vision Council Community Meeting

THURSDAY

January 12

6:00 PM

Vineyard Haven Library

Overview of current Open Space and Recreation planning and community discussion of interests and ideas.

Please note the start time and Location.

Open Space and Recreation Plan

The town is working with the Martha's Vineyard Commission to develop an Open Space and Recreation Plan that will help us meet goals set out in our Town Vision Plan. The planning board will review the current process and anticipated outcomes and then facilitate a community conversation to better understand community interests. This plan will help the town steward our valuable open space and park land and provide a framework to meet current and future needs.
