## Preparing for Town Meeting

At 7:00 pm on April 20th the Tisbury Vision Council will host a meeting at the Tisbury Senior Center to review the 2017 Special and Annual Town Meeting warrant articles. Sponsors of warrant articles will be present to provide background information on their articles and discuss their intent. This will be an

---

opportunity for community members to ask questions and gain a clear understanding of the various articles that Tisbury residents will be asked to vote on at the Town meeting. We encourage Tisbury residents and business owners to attend.

Town administrator Jay Grande and representatives from Town departments and boards will make presentations. Local non-profit groups will also attend to present their Community Preservation projects.

Contact Pat Harris at the Tisbury Planning Board (508) 696-4270 for any questions.
